In her garden chair.*

MY BROTHER

*My brother is a dancer.
He dances everywhere -
In parks, at home and in the street -
He really doesn't care.*

Or he hears someone sing,
My brother leaps into the air:
It's so embarrassing!*

NIGHT LIGHTS

*My bedroom's at the very top
And when I am in bed
The buses from the street outside
Throw lights above my head.*

*They glide along my ceiling,
Sometimes fast and sometimes slow,
And I think of all the people
In the bus that's passed below.*

*And when it's dark and I can't sleep
I lie back and pretend
That evry light crossing my room
Is a secret night-time friend.*
